## Beef Club Achievement Day Held June 10th

Irma 4H Beef Club held its seventh annual Achievement Day at the sports grounds on Thursday, June 10 with 39 members present and 33 calves shown.

The Czar 4H Beef Club which had held its Achievement Day Wednesday at Czar, brought 20 calves to Irma for sale.

A junior judging competition was held, directed by Mr. Don MacPherson of the Fairview School of Agriculture, Czar members also taking part.

Results of Irma club:  
1. George Bacon.  
2. Ronnie Firkus.  
3. Almond Archibald.

Irma members then paraded their animals which Mr. MacPherson placed according to excellence of beef type, quality and finish. The boys and girls were also judged for their showmanship and grooming of their calves. The first four head were awarded blue ribbons for special.

1. Maurice Miller.  
2. Joan Patterson.  
3. Ronnie Firkus.  
4. Clarence Hunter.

Czar brought out their two top calves which were judged against Irma's two best. Jack Rorworth of Czar won grand champion and Maurice Miller reserve.

In the group classes which followed, club members picked their calves for uniformity as well as quality.

Best group of three:  
1. Irma. 2. Czar.  
Best group of five:  
1. Irma. 2. Czar.

Mr. Gordon Stalker of Viking auctioned the calves. Jack Rorworth's champion, weight 720 lbs., brought \$7 1/2¢ from Weiler and Williams. Irma's Reserve Champion, Maurice Miller's 27¢ for his 660 lb. calf. Second prize Czar calf at 690 lbs. owned by Garry Albright brought 22 1/2¢ from Weiler and Williams. Gainers bought Joan Patterson's 750 lb. second prize calf for 20¢.

The commercial sale at the stock yards was not held this year due to the late spring.

Club members were treated to a banquet by Irma Board of Trade. This was served by the Junior W.A. in the United Church. A number of speeches followed.

Ross McFarland, President of the Board of Trade, expressed the Board's pleasure at banqueting the 4H clubs and assisting in 4H activities.

Larry Meier, local butcher, mentioned the improved appearance of the show at the new location and hoped for bigger sales with more outside clubs present.

Mr. Duncan, District Agriculturist, felt that it had been a successful day and spoke of benefits derived from club work. He then discussed showmanship and grooming, and the placings he had made.

### Showmanship

1. Marjorie Rawluk.  
2. Ronnie Firkus.  
3. Ken Orzechski.  
4. Maurice Miller.

### Grooming

1. Gordon Firkus.  
2. Marjorie Rawluk.  
3. Maurice Miller.

Stuart Fenton expressed thanks to the Senior Committee, Bob Dempsey, Cliff Jones and other Board of Trade members for their help in preparing for the show and to the town and community for generous donations of prizes. He also reviewed some of the club activities of the past year and hoped for better next year.

The following special prizes were presented:

Maurice Miller—for champion calf. Show halter from Irma Co-op store. Travel clock from Alberta Hereford Auction. Hereford tie from Northern Alta. Hereford Club. Steele trophy in annual competition. \$5.00 from Art Long and Son for top Hereford. \$2.00 from Ronnie Currie for top Hereford.

Joan Patterson—for Reserve Champion. Pen from Alta. Hereford Association. \$10.00 for top girl exhibitor.

Marjorie Rawluk—for first in showmanship. A hand-carved leather covered album, made and presented by Mrs. A. P. Firkus. \$10.00 from Irma Pool Hall.

Jerry Mark—for top Short-horn. \$5.00 from Mr. and Mrs. D. H. Gunn.

Gordon Firkus—for best-groomed calf. \$5.00 from Ivor Thurston.

Clarence Hunter—for top first year exhibitor. \$5.00 from Neil McMillan.

The Buffalo Coulee W.I. donated \$1.00 to each of the 10 donated exhibitors.

## Letterbox

Mr. and Mrs. F. T. Thurston who have been holidaying in England and Wales for the past three months are leaving by plane for Canada on June 20. We received a letter from them this past week and would like to quote a bit.

"You will be pleased to know we really saw our lovely Queen, the Duke of Edinburgh and the dear little children—they are very sweet—also the Queen Mother and Princess Margaret. They all looked so nice—their pictures do not flatter them one bit. In the procession we also saw Sir Winston Churchill and the Archbishop of Canterbury, and many more. We waited on the pavement near 'Big Ben' for about 3 hours but it was worth every minute of it as this was the chance of a lifetime for us to see the Royal Family.

The London crowds were so joyful and happy that the time passed very quickly. We have also had the pleasure of visiting Rev. and Mrs. Brabant and family in London. You will remember they were at Wainwright during the war years. They send kindly greetings and wish to be remembered to their Irma and Wainwright friends.

We hope to attend the Military Tattoo in Earl's Court a few days before we leave for home."

When Mr. and Mrs. Thurston arrive in Canada they will visit their daughter Mrs. A. Russell of Cooksville, Ont., and their son Len at Brampton. As the Thurston family is responsible for no less than 10 paid up subscriptions to the Irma Times, it was not surprising that Mrs. Thurston arranged for yet another to be sent on to her in England. We also know she will be sure of reading this issue, either in Brampton or Cooksville on her way home.

Some 127 of every 100,000 Canadians enter mental institutions each year.

## IRMA LADIES ATTEND DEANERY MEETING AT WAINWRIGHT

A very enjoyable and inspirational day was reported by the Irma ladies attending the 14th Annual Deanery Meeting of the Anglican W.I., held in Wainwright on Thursday, June 10.

In spite of the poor condition of the roads there was a very good attendance, all parishes in the Deanery being represented. Members very much enjoyed the address of the Rev. E. V. Mathew, Indian Priest from the Mar Thoma Syrian Church, India, which was very enlightening and encouraging, particularly as the Study book this year is to be "Thirst of India."

By Bishop Heber Wilkinson those members of St. Mary's W.A. who attended were Mesdames Coulman, Rae, Murray, Targett and Thurston.

Clarence Hunter—for top first year exhibitor. \$5.00 from Neil McMillan.

The Buffalo Coulee W.I. donated \$1.00 to each of the 10 donated exhibitors.

Mr. C. Barker attended the UGC convention held in Edmonton last week on Wednesday.

Mr. and Mrs. W. Jan Hatima had as their guests last week Mr. Vanhaltsma's parents.

Mr. and Mrs. Bruce Davis and son were visiting Mr. Davis's parents, Mr. and Mrs. R. Davis of Bruce during the week-end.

Mr. A. C. Garvie is a patient in the Viking hospital.

Mr. J. Burn was a week-end visitor to the city.

A number of Kinsella people attended the Hardisty stampee on Saturday and enjoyed the return of sunny skies.

Mr. J. F. Murray is attending the Municipal Hospital Convention being held at the School of Fine Arts at Banff.

A fire inside one of the box cars was reported here on Friday last by Viking. The train was flagged and searched but no one could locate any fire.

The Misses Aletha and Laura Hodgins entertained a number of their friends at a Lawn party on Sunday, but owing to weather conditions the party was held in the house.

Miss Frances Brown has returned after spending a vacation at the coast.

A wedding dance was held at Mr. and Mrs. M. Piwowar's home on Saturday night, June 12, in honor of Mr. and Mrs. Joe Sawka who were united in marriage on Saturday. A very large crowd attended. The dance was held in a large tent that had been erected. This was very gaily decorated with streamers, etc. An abundance of refreshments was served and everyone reported a very good time.

The W.I. will meet on Saturday, June 19 at 3 p.m. Please note change in date for this meeting only.

The Kinsella United Church will commence having church service at 9:45 a.m. until further notice.

On Wednesday evening the Jarrold district met at the school to enjoy the violin playing of Mr. La Madeleine. Mrs. Beer and Mr. Ling also favored with two duets and a social evening was enjoyed. A lovely lunch brought a pleasant get-together to a close.

The Lawn Society and Bazaar sponsored by the Jarrold W.A. will be held this Friday, June 18 at the home of Mrs. H. Whidden. In case the weatherman isn't in our favor, the Lawn Society will be held in Jarrold. A cordial invitation is extended to all.

Percy Wright's are driving a nice '47 Dodge car.

Mr. and Mrs. Norman Cleveland of Calgary were recent visitors of the C. Soneffs, Mrs. Cleveland and Mrs. Soneff being Lamont graduates.

## FORMER CLASSMATES HOLD REUNION

A high school class reunion was held at the home of Mrs. C. S. Smallwood on Wednesday last with Miss Susie McKay as guest of honor. Former classmates of Susie's present were Mrs. H. Lewis, Mrs. C. P. Jones, Miss Audrey Jones, Mrs. R. B. Kirkman, Mrs. N. McMillan, Mrs. Joe Burton and Mrs. Wm. Inklin.

Miss McKay left for Oliver on Monday of this week where she will take a Social Service Course at the Mental hospital.

## Camp Lake and Cox Lake Stocked With Fish

(From The Viking News)

On May 25, Cox Lake, 7 miles east of town, was stocked with 4000 rainbow trout, and on May 29, Camp Lake, 13 miles east, was stocked with 80,000 rainbow trout and 11,000 arctic grayling. This was done by the provincial government fisheries department by H. B. Watkins, fisheries commissioner, and through the efforts of the Vikings Fish and Game Protective Association. If the fish do well it is expected that some fishing will be done in the lakes before freezeup. If the experiment proves successful the lakes will be restocked every spring. As there was considerable expense in having the fish brought down from the provincial hatcheries, the local organization would like to see the membership increased.

Rev. C. E. Gustafson, who was an Army Chaplain in World War II, serving in Europe with the infantry, and who spent seven years as a missionary in Laos, Indo-China, will be the speaker. A film and slides of that land will be shown. A hearty invitation is extended to all.—Pastor N. V. Ashdown.

## Northern Nuggets

The congratulations of the district go this week to Mr. and Mrs. Bob Lukens on the arrival of a two-week old baby girl, Maureen Alice, at their home on Thursday, June 10.

Last Thursday was the big day for local calf club members. We congratulate Maurice Miller whose lovely animal was Grand Champion of the Irma calves and Clarence Hunter whose animal placed third. In addition to receiving a number of lovely prizes for having the best calf, Maurice won prizes in showmanship and grooming, while Clarence won the prize for being the youngest club member.

Keep up the good works, boys! We are sorry to report that Mrs. Earl Blanchard and her daughter Yvonne were hospital patients last week, as was Mrs. Ivan Currie for a couple of days.

Mr. Allan Larson was the lucky winner of a junior mixer at the Hardisty Stampee Bingo Saturday night.

Mr. J. Reeves of Hardisty is a visitor at the L. H. Bars home this week.

Master Clinton Coulman has been quite sick with tonsillitis, while little Susan Allen has the chicken pox.

Several local ladies attended the Royal Purple lodge session in Wainwright on Monday night.

Mr. and Mrs. Ronald Currie and Douglas went to the city Wednesday. Mrs. Currie plans to spend a week visiting her sister there.

The Triangle Association dance at Education Point will be held this Friday, June 18.

CHURCH SERVICES  
CHRISTIAN AND MISSIONARY ALLIANCE TABERNACLE  
The Annual Missionary Convention of the C. and M.A. Tabernacle in Irma will commence on Thursday, June 17 at 8 p.m. There will be a service on Friday night at the same time, and services on Sunday at 11:45 and 7:30 p.m.

## Southern Sayings

Mr. and Mrs. George Braithwaite and family of Vermilion were visitors at Mr. and Mrs. J. Jackson last Sunday but missed Mr. Jackson as he left on the flyer last Saturday night for Winnipeg to attend the Board meeting of the CCB, held there.

Sympathy of the district is extended to Mrs. T. Foulkes and boys of Edmonton on the death of her husband and to her parents, Mr. and Mrs. F. Hill and family.

Visitors at the R. Reber home last Sunday were Mr. and Mrs. F. Reber, Mr. and Mrs. C. Reber, all of Valleyview, Alta., Mr. Ron Morrison of Greenhills, Mr. and Mrs. F. C. Weise, Wainwright, Mr. and Mrs. C. Reed, and family, Mr. Bob Hanson, Barbara and Vera Glasgow.

Miss Faye Reber returned home Sunday after spending the week-end with Mr. and Mrs. Weise at Wainwright before they leave for the States this week.

Seeding is again in progress and we do hope that the nice weather stays awhile now.

## THE WHEAT SITUATION

(By Senator J. W. Stambaugh)

The recent drop of 10¢ per bushel in the price of wheat has not been too much of a surprise to those who have kept in touch with world markets. Many of us can remember when fluctuations of 10 or 15 cents a day were a common occurrence. It is possible and even probable that there may be another drop of 10¢ or more before the season is over and it is just nonsense to claim that if Britain had joined the International Wheat Agreement this drop would not have happened. Remember that Britain made no protest against the minimum price per bushel, which was \$1.95. They only protested against the ceiling of \$2.05 per bushel and no member of the International Wheat Agreement is obliged to pay \$2.05 per bushel if they can get wheat for less. The only obligation is to take a certain amount at not less than \$1.55 a bushel, and neither Britain nor any other country has been able to buy wheat at the minimum price.

The most that we can expect from the Wheat Board is to find a market for our wheat and to get the best price possible. We tried once before to set our price higher than was reasonable and we lost our markets. We don't want that to happen again. Before we start crying "Havoc" or shedding tears, it would be well to consider two facts. The first is, if by cutting the price of wheat we can sell it, or sell more of it, that will be better for the farmer and for all of us than if we kept up the price and didn't sell it. Our real problem is not whether we have to sell our wheat at 10¢ a bushel less, but whether we can sell it at all. The second fact is, that even with this cut of 10¢ a bushel, the western farmer is not going to be badly hurt, and he will still be getting a profitable price for his product. Dairy farmers, ranchers and mixed farmers have all been taking cuts in the price of their products during the last couple of years and in most cases these cuts have meant far more to them than a cut of 10¢ a bushel means to the wheat farmer. I am not trying to minimize our wheat problem, which is grave enough, but let us try to see the picture with some sense of proportion. The marketing outlook for our agricultural products is filled with difficulties and uncertainties but is by no means a gloomy one, and there is no reason to believe that it will become so.

## EDMONTON REPORT

By Donald F. Smith

EDMONTON — Continuous rains and swollen rivers and creeks last week put a crimp in more than one form of activity in Alberta.

Many farmers anxiously eyed the sodden skies hoping the rains would end and a warm sun would quickly dry fields so that seeding could be completed. Residents of many low lying areas in the province kept a constant vigil on rising rivers and creeks and in some cases, notably along the Athabasca river, homes had to be abandoned to muddy flood waters.

Roads and railroads took a beating also. Buses were placed on several highways and officials said many suffered considerable damage. At the same time the provincial highways program was dealt a blow by the rains, which delayed construction by several days in most parts of the province.

The CNR, west of Edmonton, was beset by a flurry of washouts and slides and was forced to re-route its trans-continental trains from Edmonton, through Calgary, to Kamloops.

Central Alberta farmers were said to be the worst off in the provincial field crops branch said there would be considerable acreage left in summerfallow this year because it was rapidly becoming too late to seed even coarse grain crops.

One agriculture official said May 24 was the deadline for wheat seeding and believed that for many farmers it was too late now to seed coarse grains. He pointed out that crops have been planned in the central areas as late as June 15, but late-seeded crops face the danger of frost-damage in the fall. Officials were trying to recall a later season for central and northern areas and concluded that the major need right now is a week of hot, windy weather.

Some of the same appeared to be the crying need for Alberta's soggy highways. Early last week buses were placed on at least six major highways and emergency crews worked around the clock trying to keep as many roads as possible open by repairing washouts and filling potholes. Most local and secondary dirt roads were hopelessly impassable.

Only area to escape almost scot-free on the highway problem, according to road officials, was the Peace River area, while the worst section of the province extended from Edmonton to Red Deer and from the capital west to Jasper. The Jasper highway was closed completely between Obed and Jasper Park gates, while crews worked to repair washouts at Prairie Creek, 75 miles west of Edson and at another small creek a few miles east of Hinton.

In southern Alberta the No. 2 highway, north of Okotoks, was said to be nearly impassable at mid-week with cars lined up for at least half a mile on both sides of one of the worst stretches.

A slide on the CNR mainline near Jasper caused a freight train derailment, early in the week. Crews had barely cleared the line and repaired other minor washouts, when a bridge, 58 miles west of Edson, was made dangerous for rail traffic by flood waters that damaged the bridge foundations.

It took several days to repair the bridge. In the interim the CNR transcontinental trains were re-routed and local traffic from Jasper to Edmonton was handled in a unique way.

Trains proceeded from both directions as far as the bridge, then passengers were carried across on flat cars drawn by a railway motor car.

As the week ended and the new one began there were signs of a break in the wet weather which, along with record breaking cold, has bedeviled Alberta all spring. Last month was the coolest May in Alberta in 11 years, the weatherman reported, while April struck a record-breaking monthly average of only 25 degrees above.

Only persons heard voicing any approval of the cold and wet were officials of the forestry branch, who credited rains with keeping down forest fires this spring.

The most recent provincial

crop report presented a variable picture with crops either not in because of the rain or two to six inches above ground and needing warmth and sunshine to speed growth.

## Kinsella Lose 8-4 to Harlem Clowns

(From The Viking News)

The Harlem Clowns, a Negro football team, currently on a coast to coast road trip, filled a booking in Viking on Monday night against the Kinsella fastballers.

The Clowns, featuring Shorty Buckner on first base and Popeye Smith as shortstop, had no easy time as they finally came out on top with an 8-4 win over the determined Kinsella crew.

The colored boys, attempting to clown through most of the game, had to "clown" in a few runs in order to come out on top. Buckner, snappy little first baseman, kept the crowd and Kinsella boys in a jovial mood with his zany actions, as the diamond, and he even took a turn umpiring. Popeye Smith, also kept the crowd occupied.

After the ball game ended, the Clowns put on a "shadow" and "slow motion" ball game, which ended the evening's entertainment.

The dance, held in the Legion Hall, was attended by a very small crowd.

Lineups:  
Harlem Clowns—Smith, Coswell, Buckner, Hood, Green; Collins, Wilson, Hopkins, Barber.

Kinsella—Firkus, Bilo, Overbo, G. Christenson, Gainie, Carpenter, Makar, Lundley, Evans, E. Christenson.

Score by innings:  
Clowns 0 0 2 0 0 0 6 0 0—8  
Kinsella 0 3 0 0 0 1 0 0—4

Last year Canada's leading imports were automobile parts, farm implements, crude petroleum, electrical apparatus, petroleum products, coal, rolling mill products, engines and boilers, aircraft and parts, fruits, autos, cotton products and wool products.

Baseball Tourney  
Here June 23

(From The Viking News)

Baseball fans will have the opportunity to see some good teams in action here on Wednesday, June 23, starting at 12 o'clock noon. Teams from Irma, Loughheed, Strome and Viking will compete for handsome cash prizes.

Games will commence at 12 noon, 3 p.m. and finals at 8 p.m. sharp. Refreshment booths will be there to serve you with hot dogs and drinks, and a public address system for the announcements.

A dance will follow after the evening game with music furnished by the Camrose Swing Four.

The Irma team won the tour-

Four Sets of Twin Calves  
On One Farm

(From The Viking News)

Four sets of twin calves and all doing well were born on the C. R. Swaine farm this spring. This is no doubt a record for this district and for the whole province.

Families in Halifax, Montreal, Toronto, Winnipeg and Vancouver spent \$6.78 per person per week on food in the first half of 1953.

ament at Vermilion on May 24 and are considered a real contender. From the south line come Loughheed and Strome, who always produce good competition. The Viking team will be no pushovers and the tournament should prove a thriller from the first inning to the last.

## Got those cost-of-living blues?

Most people seem to have them these days. Prices have gone up and up . . . food, housing, just about anything you can think of.

But gasoline has tried hard to keep its feet on the ground . . . and with some success . . .

Because while wholesale prices in general are up 119% . . . more than double what they were before the war . . . Esso gasolines across Canada are up only 42% . . . about a third as much as most other things.

Here in Alberta, Esso is up even less.

At Edmonton for instance, the wholesale price is only 14% higher than pre-war.

### W. I. Conference Honor Mrs. S. Lefarud With Life Membership

(From The Viking News)

June 1 proved to be a better day for the Annual Conference of the A.W.I. Wainwright Constituency, than that of May 27 as originally planned, which was a better day for ducks.

However, the 93 members and visitors who signed the register, found the Conference well worth attending. The whole Constituency seemed to be on its toes in every department and the reports from the 14 branches showed they had been hard at work for the year. Much work had been accomplished for the community and for Home and Country, of which the W.I. stands for.

The reports from the Conveners of standing committees showed greater interest on the part of the branches and more had submitted reports. A new convener was added to the list, that of Mrs. G. Gunn of Irma for United Nations. This will give us all a chance to obtain a better knowledge on the work of the United Nations by preparing these reports.

A highlight of the Conference was a presentation to Mrs. S. Lefarud of a life membership in the A.W.I. by Mrs. J. C. McLean of Irma, former District 2 Director in the Wainwright Constituency. It was a fitting gesture to present this to Mrs. Lefarud at a Conference in her home town. Mrs. Lefarud is A.W.I. President and has attended one A.C.W.W. Conference in Toronto. In all probability she will attend the next one in Ceylon in 1956.

Mrs. J. Black of Heath conducted her first Conference as Constituency Convener and proved she was an Institute member of long standing.

Mrs. H. Crills of Viking welcomed the delegates and hoped they would obtain much knowledge before the day was over. Mrs. T. Larsen of Irma replied by describing a Conference in Viking during horse and buggy days at which she had brought her mother.

Mrs. J. I. Jones of Mannville reported as District Director for District 2. Mrs. Lefarud reported on some of the round table discussions of the A.C.W.W. in Toronto last year.

Mrs. A. Francis, Mrs. Muir, Dorward, Mrs. G. Theroux, Mrs. Kopriva, Mrs. D. Anderson and Miss Maxine Wemp and a quartet from Buffalo Coulee provided entertainment between the reports. Everyone enjoyed being entertained thus.

An encouraging display of handicraft was to be seen. More interest had been shown, as entries were handed in from nine branches. Miss Holmes, District Home Economist from Wainwright did the judging and her comments were much appreciated. Much help can be benefited by these comments in accomplishing work for another year. Some lovely work was displayed.

The Viking branch with Shady Cove and Clover Lodge as co-hostesses, provided lunch at noon with ample left over for supper. These delightful establishments soon disappeared and much credit is due the workers for providing same. Being served cafeteria style for the first time proved a pleasant change for those who wanted to sit around and chat. The reports showed a membership of approximately 233 in the Wainwright Const.

Mrs. Black on behalf of Rosewillow, Gilt Edge, and Gerald branches, invited the Conference to be held in Wainwright in 1955.

Mrs. C. Brickman thanked everyone who in any way had contributed to the success of the Conference. The singing of "God Save the Queen" ended a delightful day.

## The Canadian Eskimo

The Eskimos in Canada are found mostly north of the tree line. As they obtain their food largely from the mammals of the sea, these nomadic people are often found along the coast line of the Arctic Ocean and the Hudson Bay. Their population is increasing and the census men have a hard time to find them as they are often engaged in hunting and trapping on the mainland.

In their increasing struggle for food and shelter in the harsh climate, they have found time to create works of art. They have carved out of stone such objects as birds, animals and human beings. By chipping the stone with their crude tools, they have produced life-like works of art. The owl guarding her nest, the bear following her cubs, the struggling bird in the hands of a boy and many life-like structures.

The RCMP, the Missionaries, the Traders and the Medical personnel are all encouraging these wards to improve their "way of life."

The RCMP stationed in the districts supervise the welfare measures, provide relief to the needy and send the seriously sick to hospitals. Government doctors and nursing stations are maintained under the Department of Indian Affairs. TB has claimed the lives of many but now the scourge is being controlled by sending all the cases that can be found to the Sanatoria for care.

Family allowance is not paid by cheques but in kind according to a list of goods restricted to items of benefit to growing children.

These primitive people are sometimes not very helpful to the aged, so Eskimos over 70 have been receiving an allowance for years. They are getting the Old Age Pension in kind. This also is under the control of the RCMP.

Schools have been established where there were more or less permanent settlements. Welfare teachers and missionaries are devoting their lives to this work and School Inspectors have been appointed.

Game Preserves have been established where only the natives may hunt. Efforts have been made to preserve the wild life upon which these people will always depend. At times, whole groups must be moved from where game is scarce to where wild life resources are more plentiful.

Those best acquainted with these northern people are agreed that they will always retain their racial characteristics and habits and the hope is to encourage them to enjoy a better standard of living.

### NEW GM ASSEMBLY PLANT TO BE OFFICIALLY OPENED THIS FALL

Fifty-six acres are under roof at the site of the largest automobile manufacturing centre in Canada—General Motors' new assembly plant in South Oshawa. The factories—shown above—will be officially opened

this fall, will produce all G.M. passenger cars built in Canada. In all-out production, the modern assembly plants, which cover 43½ acres of the 56, will raise G.M. capacity by more than 25 percent to 1350 vehicles per day. Inset at upper left shows infra-red paint drying oven, a new installation that

bakes paint from inside out to produce tough hi-gloss finish. The Oshawa development is one unit of a General Motors' expansion program that has seen 400 million dollars invested across Canada over the past four years.

## Local News

The sympathy of Irma and district is extended to Mrs. T. Foulkes and sons on the sudden passing of Mr. T. Foulkes. Mrs. Foulkes' parents, Mr. and Mrs. F. M. Hill and her sister Mrs. K. Gulbraa who had been with her in Edmonton, were on their way home when the sad news reached them. They immediately returned to the city. We will publish obituary next week.

Edmonton visitors this week included Mr. and Mrs. Haakon Larson, Mr. and Mrs. P. Loinski, Mr. and Mrs. M. Knudson and Mr. Wm. Masson.

The Irma United Church Sr. W.A. is holding a sale of Home Cooking in the Irma Food Market on June 26 from 3 to 5 and 8 to 10 p.m.

The St. Mary's W.A. will hold a Sale of Home Cooking and Farm Produce in the Irma Food Market on June 19.

Donations to the United Church Memorial fund in memory of the late Mr. A. Squires have been received from Mr. and Mrs. E. T. Dallow and Mr. and Mrs. S. Coulman.

Mr. A. Fucsko has purchased the property in Irma formerly owned by the late Mr. and Mrs. J. J. Hines.

Mr. Fahner of Chauvin was a recent visitor here at the home of his son Milt.

Miss Charlotte Anne Milne and friend from Edmonton were Irma visitors last week.

Mrs. R. D. Smallwood was able to leave hospital last week for a brief visit to her home here.

Mr. James Wood, who is in his 95th year, has a very prosperous garden which he has planted complete with peas, potatoes, beans, carrots, etc. Yes, even tomato plants.

Mr. R. H. Weaver of Mannville visited with Mr. and Mrs. H. Riley last Thursday and attended the 4H Beef Club Achievement Day here.

Mr. H. C. Nissen underwent a major operation in an Edmonton hospital and is now on the road to recovery.

The quota for oats has now been raised 3 bus. per acre.

Of interest to people in Irma and surrounding district is the announcement that a Sacred Concert will be presented by the United Church Choir, assisted by guest artists, in the school auditorium, on Monday, June 21 at 8:15 p.m.

### TEACH YOUR CHILD PROPER FEEDING HABITS

Never FORCE a child to eat. To insist upon a child eating something he obviously dislikes is a sure way of provoking an obstinate feeding problem. To feed such a child forcibly is inviting trouble. Children, like adults, don't always want the same amount of food every day. Nor do they like being served the same food, prepared the same way, day in and day out. If your child spurns beans and carrots, substitute peas, greens, squash or beets, offering every now and then small portions of beans or carrots along with them. If serving those carrots; shredded, cut in ribbons, diced or offered whole; they may be boiled, steamed or in a thin milk sauce. A sprinkle of salt could mean the difference between smiles and pouts. Milk refused from the cup may be acceptable in the form of cream soups or milk puddings.

As your child's interest in things about him increases, so does his interest in food become more critical. Attractive dishes and cups always help a meal. Variety in foods, and in their preparation, stimulates appetite.

So if your child doesn't finish his milk or refuses some portion of the solid foods on his plate, avoid playing the role of the overzealous, ardent parent who runs the gamut from pleas and bribes to threats and force. Such a child quickly learns that to
